Smart Hair Care,

Perfect Matches

Personalized Hair Profiles & Intelligent Stylist Matching

Ahmed Yussuf

★★★★★ Wrong Stylist Match

★★★★★ Wasted Time & Money

The Real Problem

Finding the right hairstylist for your unique hair type and style is a real challenge. Without personalized service, customers often leave unsatisfied, wasting both time and money on results that don't match their needs.

Generic salon experiences ignore individual hair texture, scalp conditions, and personal style goals. The lack of smart matching between clients and specialists leads to repeated disappointment and lost loyalty.

Introducing

FaciaMatch

ONLINE BOOKING & SCANNING

Book appointments online with ease and flexibility. Upon arrival, a full head and scalp scan captures detailed hair data — type, texture, and health — to build your unique hair profile.

PERSONALIZED MATCHING

FaciaMatch uses your personalized hair profile to intelligently connect you with the stylist best suited to your hair type and needs, ensuring expert care every visit.

ALWAYS HONEST

AMAZING CARE

Online Booking & Scalp Scanning

Book appointments online with ease and undergo a full head & scalp scan for detailed hair analysis upon arrival.

Smart Matching & Hair Profiles

Receive a personalized hair profile capturing your hair type, texture, and needs — matched with the ideal stylist and tailored product recommendations.

Key Features

Customer Journey

01

Browse salons, choose your preferred stylist, and book your appointment online at your convenience. Arrive at the salon and complete a full head and scalp scan for a detailed hair and scalp analysis.

02

Receive your personalized hair profile and get matched with the ideal stylist. Enjoy a tailored service, get hairstyle and product recommendations, and have your history saved for optimized future visits.
